YOUR GATEWAY TO ELITE STEM & AI TALENT

Looking to hire top-tier talent in AI, cybersecurity, engineering, and emerging technologies? Want to connect with highly skilled veterans, graduating seniors, and experienced professionals—all from the comfort of your office? The CCG Spring Virtual Recruitment Fair makes it happen.

Our proven track record speaks for itself:

- ✓ Higher hiring rates than many in-person events
- ✓ Cost-effective recruiting solution with broad talent reach
- ✓ Diverse pool of candidates, including top minds in AI, STEM, and technology

WHY ATTEND?

This isn't just another career fair—it's a high-impact hiring event that gives you direct access to motivated job seekers ready to make a difference in your organization. Past events drew over 3,000 attendees, providing unparalleled opportunities to engage top STEM talent and fill critical roles fast.

HOW IT WORKS

- ✓ **Custom Virtual Booths** – Showcase your brand, job openings, and culture.
- ✓ **Live Chat & Video Interviews** – Connect in real time with potential hires.
- ✓ **Access to Resumes** – Leverage our JobMatch program for pre-event talent scouting.
- ✓ **Candidate Rating Tools** – Streamline your selection process.
- ✓ **Easy Interview Scheduling** – Book follow-ups with top candidates on the spot.

WHO SHOULD ATTEND?

- ✓ Employers hiring for critical STEM & AI roles
- ✓ Organizations seeking to recruit top veteran talent
- ✓ Companies looking to fast-track hiring in a competitive market
- ✓ Innovators shaping the future of technology

WHO WILL BE THERE?

- ✓ Graduating seniors & interns eager for opportunities
- ✓ Industry professionals looking for career advancement
- ✓ Tech leaders and STEM experts exploring new roles

STAND OUT WITH EXPERT-LED SEMINARS

Gain insights from top industry professionals on cutting-edge trends and recruitment strategies:

- ✓ **AI & Emerging Technologies:** Hiring for the Future
- ✓ Best Practices in Virtual Recruitment
- ✓ Building High-Performance Engineering Teams
- ✓ **Intern to Full-Time:** Career Advancement Strategies
